### LIST OF START-UP COACHES

Slovene Enterprise Fund (hereinafter: the Fund) invites interested candidates by an open call available online at <http://www.podjetniskisklad.si/images/javnipozivi/javnipoziv.pdf>) to apply as start-up coaches for various financial products offered by the Fund. The purpose of coaching for start-up companies is transfer of specific knowledge, experiences and social networking in order to achieve successful development and growth of recipients of public funds. The list below features previously selected start-up coaches who are available for coaching programmes for recipients of seed financing (public tenders labelled SK75, SK200 and P2). Coaches are listed by alphabetic order (by surname) with a brief description of their previous experiences and references in order to facilitate the selection process of a coach.
